From The President

Happy Independence Day! Between the brats and hamburgers, lets not forget the reason behind the celebration, our Freedom! The belief that Life, Liberty, and the pursuit of Happiness are inalienable rights. For me, the latter is meeting with friends and shooting. Be it competitive, punching holes in paper, or scaring clays (because I rarely break them). I enjoy sharing my passion and I hope that you too are able to enjoy the club grounds during this beautiful start to the summer. I have been at the club more than usual so that I can meet and talk with our members. I am available to talk and answer any questions that you may have. If I am unable to answer your question or concern on the spot, I will find the answer and get back to you. I am not very good at remembering names, so please bear with me. I may ask you your name a few times.

September Gun Raffle
Smith & Wesson Shield EZ

F.I.R.E.A.R.M.S. PROJECT - Things are coming together nicely. We are in the process of sending the project to contractors for their bids. The futures project committee will go over all the bids and select the best bid submitted.

QUALITY FOREST MANAGEMENT - Things are well underway. You may have noticed some newly planted saplings, many more are planned for future plantings. The forester has completed the scheduled work. Subsequently, the board approved a motion that members may take any downed tree(s) in the gun range areas (between the 25 and 100-yard) for free. PLEASE USE EXTREME CAUTION when taking what you would like as we do not want anyone injured. If there are any questions, please contact any board member.

\$500 is waiting for you if you're in attendance at the September Membership

COVID-19 - We are striving to resume business as usual. We have opened the clubhouse with reduced hours and leagues / competitions have begun by adhering to additional safety protocols. The indoor archery range is now open following the state guidelines of no more than 10 people indoors at a time, social distancing, masks, and sanitizing the range when done shooting. The club is will not provide disinfecting supplies for the indoor range. As with the rest of the club, you are participating at your own risk. Adding disinfectant spray, wipes, and hand sanitizer to your range bag(s) is strongly recommended.

Shot & Wad

by Mike Meyer

We started up trap and skeet again in May, but there hasn't been much to report on. The skeet shooters all came back, but only a few of the trap shooters have been showing up.

Our Traveling Winter Trap League ended when the Covid19 began, back in the middle of March. Our club retained the traveling trophy. Shiawassee came in second, 43 targets behind us. Brant was third, 55 targets behind us. Ken Putnam of Shiawassee was the Top League Shooter. Tom Berry was the top shooter for our team. His brother Jake was our top youth shooter.

Fred Kunzler showed our trap shooters that a straight is still possible. He came up from Kentucky to visit his grandson in June and they stopped in to do some shooting. Of course, Fred's first trap round was a straight, and he was surprised that none of the rest of us were shooting straights. Thanks Fred. We'll try harder.

Here are the shooters that broke 25 straight from April 1 thru July 14:

Newsletter Update

After careful consideration, the board of directors has decided to stop mailing printed newsletters, starting in September. Almost half of your yearly dues goes to provide a written newsletter, just to much of an expense. The web-site has the newsletter and you can down load it and print it. SFSC is one of the few clubs that provides a newsletter of any kind on a monthly basis.
