## MESSAGE FROM THE PRESIDENT

Happy New Year! I hope you and your loved ones enjoyed the holidays. If you are still trying to identify your New Year's resolution, please consider increasing your involvement with the club. We have vacancies on the Board of Directors and we are always in the need of volunteers.

December's membership meeting was all about the children. Classic Christmas cartoons were shown during dinner followed by a demonstration by Debo, Randy, and John of the Saginaw City Police K9 Unit. The kids got to play with and pet the star of the show Debo while the parents checked out the SWAT gear on display. However, no Christmas party would be complete without a visit from the jolly guy himself. Santa Claus was met with much excitement as he arrived to pass out presents to all the boy and girls.

As our 2022 calendar begins to fill up, be sure to check the Club Scheduled Events page for event details, dates, and times. We already have a lot scheduled and we are working on scheduling more. If there is something you would like to see offered, let me know. We are currently selling tickets to our 22nd Annual All Outdoor Sports Banquet, see the flyer within this newsletter for additional details.

I'd like to thank everyone for being patient and supportive during this year's renewal process. Despite a few small items that needed clarification / explanations, I received a lot of positive feedback from members regarding our new process. Should you have any comments on how to improve our system moving forward please let me know. Don't forget to mark your calendars for our February Membership Meeting. There will not be a guest speaker since the focus of the meeting is on the club. I will provide a State of the Club address, present awards for Volunteer of the Year, 45 Years' Service Award, and recognize outstanding volunteers.

Here's to an outstanding 2022!

Get out and Enjoy Our Little Piece of Up North.

### HUNTER SAFETY REPORT by Wayne Hanson

The Hunter Safety Committee needs your help to continue providing the hunter safety course. The State of Michigan is currently only allowing field days without classroom instruction. Several guidelines including time, number of attendees, certified instructors, etc. must be addressed to host a class. Additionally, all support staff must be certified instructors and successfully completed COVID training. Historically, 40 to 50 people helped put on our hunter safety program but only half were certified instructors. We will need 25 additional certified instructors to host future classes. If we can obtain the support of enough certified instructors, we will restructure our course and resume training. This is where Hunter Safety needs you to raise your hand and say I would like to help. If you are interested in making a difference, you can start by going to the [D.N.R. website](#) and getting your background check done and taking the certification test. Future classes will be announced in the newsletter and on the D.N.R. website. If you have questions or would like additional information, please contact Wayne Hanson (989) 642-3233.

## TRAP & SKEET REPORT by Mike Meyer

I apologize for not doing the report in last month's newsletter, my wife and I were both down with the Chinese Flu. We're back now, with no lasting effects. I hope Covid wears itself out in the coming year and goes away.

2021 sure flew by fast. I hope you all had a Merry Christmas and wish you a Happy, Healthy New Year. The trap and skeet fields will be open on our regular schedule thru the winter, so come on out and try out that new scattergun you found under the Christmas tree. We have a little ammo for our customers to use.

Ammo and reloading supplies are still in short supply. The big store in Clare usually has something we can use, but their prices are about double what we had to pay just 2 years ago.

Our Winter Traveling Trap League is beginning after the first of the year. Shoot dates are every other Sunday beginning January 9 at the Shiawassee Club. It's a lot of fun and we can't wait to get started. We already have 18 shooters signed up to participate. I'll keep you updated on our club's efforts to retain the trophy.

<p><b>Skeet and Trap</b> are open throughout the winter season during our normal hours.</p> <p>Tuesday 2-6 PM</p> <p>Thursday 2-5 PM Skeet only</p> <p>Saturday 8:30 AM - 12 PM</p>	<p>Shooters who broke 25 straight or better from Oct 26th thru Dec 18th:</p> <p>Trap: (25 Straight): Ben Tomandl (50 Straight): None</p> <p>Skeet: (25 Straight): None (50 Straight): None</p>
