## MESSAGE FROM THE PRESIDENT

This year is flying by, here we are June 2022 almost halfway through the year. This past month the club hosted the 16th Annual Great Lakes Regional IDPA match there were 118 shooters over the weekend with several groups coming from out of state to attend. The weather turned out to be great for the two days event and we received positive feedback on the club. I would like to thank all of our members for their support and appreciate you planning according to the ranges be closed for this event.

We will not be having our membership meeting for the next three months for the summer break. Our next meeting will be September 15th and we plan to have a dinner before the meeting. If the turnout is good for the dinner we will continue with the dinners.

Smallbore league starts up this month on Thursday night at the 100-yard range, please see the calendar and flyer for more details.

### May Board of Director Meeting Announcements:

The directors have approved a \$5.00 key access fee for the lake side gate. A couple weekends ago someone cut the lock off, so we are now down to one lock which is old and in bad shape. We will be adding a new lock with new keys, so starting immediately any member wanting a key to access the lake side gate will be required to pay the \$5.00 fee for a key. If you have any questions, please call me at 989.721.0664. I will be happy to answer your questions.

With the warmer weather now be mindful of being hydrated by bring water with you to the club.

Come out and Enjoy Our Little Piece of Up North.

## TRAP & SKEET REPORT by Mike Meyer

We've had to shoot a couple more high school hats this past month. Josh and Matthew from Nouvel Catholic Central both recorded their first ever 25 straight in trap and had to forfeit their caps as a result. Matthew shot his first straight in a practice round, then shot another one a little later in the day during his final competition round. Both Nouvel and Valley Lutheran schools have finished up their competition rounds for the Spring league. Now they have to practice up for the state tournament the week-end of June 18, and the National tournament July 6-10, both in Mason MI.

We have been able to find a little bit of powder for reloading. Now lead shot is scarce. It is rumored that one of the shotgun ammo companies has booked all of the lead shot production for the next couple months. Primers are still hard to find. Jay's in Clare has had some primers available and occasionally you can find some at some of the online suppliers. We try to stock all of the shotgun reloading components, but it has been next to impossible to find everything available at the same time.

**Skeet and Trap** are open throughout the winter season during our normal hours.  
Tuesday 2-6 PM  
Thursday 2-5 PM Skeet only  
Saturday 8:30 AM - 12 PM

Shooters who broke 25 straight or better from Apr 26th thru May 24th:  
Trap:  
(25 Straight): Cody Britton (2), Josh Koester (1), Ryan McDonald (2), Matthew Sadowski (2), Cal Shaw (1), Ben Tomandi (4), Darrell Tomandi (2),  
Skeet:  
(25 Straight): Daryl Aulbert, Andy Graves, Nick Horezniak, Danny Rosales
