MESSAGE FROM THE PRESIDENT

"April showers bring May flowers" is a reminder that even the most unpleasant of things, in this case the heavy rains of April, can bring about very enjoyable things. Based on the amount of rain we've experienced; I'm anticipating an abundance of flowers in May. This adage is also a lesson in patience and one that remains true to this day. The patience in regard to the club occurs as we all ponder when Mother Nature is going to quit teasing us with nice days sandwiched between a winter that refuses to go away.

We hosted over 100-archers to last month's IAA Shoot. They braved the rainy conditions and had a great time shooting the course. Thank you to Rob Komyathy and the volunteers that helped for putting on yet another successful event.

Youth small bore is up a running with good turnouts for the first two shoots. This event is open to all youth between ages 10 - 17. Participants are not required to attend each Saturday to participate. Please see flyer within the newsletter for additional information. There won't be Youth Small Bore May 21st do to the IDPA Match.

Our Second Annual Easter Egg Hunt was well attended. Over 30 kids found the 998 eggs that good ole Peter Cottontail left along the west trails and in the campground area. Each participating child received a prize, candy, and tried to guess the number of eggs hidden for another prize. Mark your calendars for next year's event, which is scheduled for Saturday, April 8, 2023.

Indoor archery reopened April 20th. Thank you for your patience as it took several more days to get it finished due to a lack of volunteers. If you see Mark Fanning and Jeff Brinkman be sure to thank them as they did a fabulous job. The floors look amazing and they should be able to be enjoyed for many of years to come.

If you have not been in the clubhouse lately, the floors and carpet were beginning to look a bit rough due to the amount of use they receive. Thanks to Wayne Hanson, the carpet got a well-deserved cleaning and the kitchen floor was stripped and wax. Everything looks great!

The volunteer work highlighted above saved the club thousands of dollars by not having to outsourcing these jobs. If you are willing to share your skills and talents to help us continue to improve the club please contact me. Thanks in advance for your time and consideration.

We have a couple other projects coming up. The clubhouse lights will be upgrade to LED lighting and the outdoor archery practice range will be reorientated to the North. Will are looking for volunteers to assist with both projects. Please call me if you have some time you're willing to volunteer.

The May 19th membership meeting will be our last one before our summer break. We are hopeful that upon our return in the fall, the turnout will be large enough to justify the return of dinners to our meetings. Please mark your calendar for Thursday, September 15th – dinner at 6:00 p.m. and the meeting will begin at 7:00 p.m.

We will close out May by hosting the Great Lake Regional a Tier-2 IDPA Match May 20, 21, & 22. There are currently over 100 shooters from all over the country and 1 international shooter signed up. We are still looking for volunteers for Saturday and Sunday, with Sunday being the greatest need. Please contact David Anderson 989.928.9821 for details. Please mark your calendars and plan accordingly because the 10-yd, 50-yd, and 100-yd ranges will be closed beginning May 19 for set up and May 20 - 22 for the match.

Come out and Enjoy Our Little Piece of Up North.

TRAP & SKEET REPORT by Mike Meyer

Our High School Trap shooters are shooting at a record pace in their spring league. So far they have shot almost 4 times as many rounds at this point as they did last year. All of the shooters are showing improvement. Congratulations are due for Charlie from Nouvel. He shot his first ever 25 Straight, and we shot his hat.

Rylee, from Valley Lutheran has recorded scores of 21 to 23 so far this year with an occasional 18. (everyone has a bad round once in a while). This past Saturday, she shot a Pair of 24's. It won't be long before we'll be shooting her hat.

Reloading supplies are still next to impossible to get. We stock shotgun wads and shot, but if you need powder or primers, your best chance of obtaining some are by watching the online suppliers.

Skeet and Trap are open throughout the winter season during our normal hours.

Tuesday 2-6 PM

Thursday 2-5 PM Skeet only

THE COWBOY'S CORNER by Barb Bell

All I can say is Yee Haw! Spring is here and we've started our cowboy action shooting practices. It's like a spring tonic...hitting those steel targets and hearing them ring just lifts any winter-weary spirit. This is your special invite and it won't cost you any of those coins jingling in yer pocket to just come and watch. Don't forget your safety glasses and ear protection. We abide by the rule of safety first, last, and always. Practices start at 5 p.m. on the lower cowboy range and we shoot until dark or we run out of ammo. We've included a flyer in this newsletter that gives you our shoot dates and other important cihpering you may find helpful.

May 14 is our first match shoot but May is also a month of remembering other special events. Don't forget Mother's Day on Sunday, May 8th. Let's give that special lady all the loving attention she deserves. And on May 30th, we honor the men and women who died while serving in the military service for the United States.

So, as spring brings warmer weather and other good things, how about taking that step to discover one of the many fun venues offered at your Saginaw Field & Stream Club. Our cowboy motto says it all. "It's more fun than should be allowed!" And who doesn't need some fun!

Until next time...remember to live life and give it your best shot.

Happy Trails from Katie Callahan
