PRESIDENT'S THOUGHTS

Happy Fourth of July! As Americans, we celebrate our Independence from tyranny and our freedoms as American citizens protect by the Constitution. Written September 17, 1787 the Constitution is the longest-standing written and codified national constitution in the world today. Unfortunately, the principles that define our Republic are under attack.

236-years later we cannot take our freedoms for granted. We must continue fighting to preserve the freedoms that make America the greatest nation in the world. As we celebrate our freedom, please remember the cost at which our freedoms came. The cost of our freedom is best summarized in the meaning of the American Flag. Red represents hardiness and valor, blue symbolizes our vigilance and justice, white stands for purity and innocence, the 13 stripes are for the original colonies, and the 50 stars represent the states. While as a country we only celebrate our freedom once a year as Americans we should be fighting to protect our freedoms everyday of the year.

I hope that everyone has a safe and rememberable summer. Especially our 2023 graduate as they celebrate the first of what we hope is many milestones. I encourage all of our members to make time out of their busy summer schedule to come enjoy the club. Whether it is time on our ranges, fishing, a family picnic, or an overnight campout we have something for everyone. If you're looking for a way to positively impact our environment consider MUCC's Annual On The Ground (OTG) Manistee River Clean Up at High Bridge Boat Launch in Manistee County, July 15 (Saturday). This event is held in partnership with Steelhead Manifesto and sponsored by Great Lakes Great Responsibility. Lunch and a gift will be provided to each registered volunteer. Please direct any questions regarding the OTG program to Habitat Volunteer Coordinator Kristina Kennedy at kkennedy@mucc.org.

The Michigan Department of Natural Resources (DNR) approved new deer-hunting regulations that will be effective for the 2023-2025 season. The following is an overview of the changes. Be sure to familiarize yourself with all of the changes to avoid any issues this fall.

- Four-point antler restrictions restored under the deer combo license was restored in 19 counties, including Barry, Calhoun, Ionia, Kent, Mecosta, Montcalm, Newaygo and Ottawa.
- Hunters may now harvest multiple antlerless deer in the Liberty Hunt, the buck limit is still one.
- The Upper Peninsula removed a chronic wasting zone from parts of Delta, Dickinson, and Menominee counties.
- Crossbows are not allowed during late archery season in the UP.
- Antlerless harvests are prohibited in a number of deer management units in Northern Michigan, including 007, 031, 042, 048, 066, 127 and 131.

Visit the DNR's webpage for more information.

As a reminder we have our Great Lakes Loons fundraiser event July 14, 15, and 16th. See flyer for details enjoy a ball game and support the club.

Come out and Enjoy Our Little Piece of Up North and have a safe holiday!

MUCC NEWS

Legislature:

On June 8, the Michigan Senate passed stakeholder-led commercial guiding legislation on a bipartisan vote. The bill package now moves to the House and has been assigned to the House Natural Resources, Environment, Tourism, and Outdoor Recreation Committee.

You can read MUCC's blog on the passage of the bills HERE <https://mucc.org/senate-passes-commercial-guiding-legislation/>

Natural Resources Commission

The NRC voted on several deer regulation proposals at June's meeting. No season dates were changed, and no statewide APRs were passed. After hours of public comment, the commission acted on Wildlife Conservation Order #7 of 2023 and nine commissioner amendments.

Commissioners passed Wildlife Conservation Order #5 of 2023, allowing off-lead tracking dogs to recover legally shot game species. This order had been tabled for months as commissioners and the DNR worked on the final language.

MUCC supports the use of off-lead tracking by qualified trackers. While this order is a step in the right direction per our grassroots policy, we would support a training requirement for dog and tracker and the CPL requirement.

A full recap can be found HERE <https://mucc.org/june-2023-nrc-recap/>.

Club Rules

All members are required to present their membership card up on request.

All memberships expire December 31 of each year. Membership renewal is available online between Oct. 1st to Dec. 31st visit our [website](#) for details.

Club Shooting Hours

Are as follows, 8 AM until sunset, use the hunting guide to determine sunset. Organized events under lights may go to 10 PM. Lights on all ranges are for organized events only.

It is YOUR RESPONSIBILITY to know Range Rules!

Range Rules are available on the clubs website print off copies for your range bag. Check back occasionally as they may get updated.

Electronic Gates

The electronic gates open and will close 30 seconds after fully open, if the gate begins to close and about to hit your car stop immediately. The gate will stop once it touches your car and retreat backwards without causing any damage. You will damage your vehicle if you continue. The club is not responsible!

TRAP & SKEET REPORT by Mike Meyer

Our high school trap teams both did great in the State Tournament. Nouvel Catholic – Freeland's Varsity team finished 2nd in the state, just 4 birds behind the state champ. The scores were Ryan McDonald – 98, Christian Lopez – 96, Ryan Quackenbush – 95, Charlie Beldyga – 94 and Thomas Witten – 94.

The Valley Lutheran Varsity tied for 13th in the State just 4 targets less than Nouvel-Freeland. The team's scores were Ben Tomandl – 98, Collin Engelhardt – 96, Zach Lamont – 96, Rylee Ross – 92, and Alex LaDouce – 91. Rylee experienced a gun breakdown the day before the tournament and shot her score with a borrowed gun that she had never shot before in competition.

Ben Tomandl and Ryan McDonald were tied for 4th place with only 3 shooters scoring better out of the more than 1200 shooters that participated. All of our high school shooters did well, shooting their average or, in most cases exceeding their average in the State Competition. Congratulations to all of our High School shooters. We are very proud of them all! Now they have the July 5-9 National Competition to look forward to.

Skeet and Trap open year round.

Skeet (25 Straight): Danny Rosales 1

Bullseye--Precision Pistol Fundamentals by Brian Miller

1. Stance—The stance is primarily perpendicular to the target while making it comfortable. Rotate your stance so your red dot or iron sights are centered in the Bull.
2. Grip—The grip must be firm like a firm handshake but not to the point of causing tremors.
3. Sight Picture—This must be consistent each and every time whether it's a center of bull alignment or a 6 O'clock hold.
4. Trigger Pull—must be an uninterrupted pulling of the trigger until the pistol fires *while not moving the sight picture*. Generally, if you take the shot when it looks right the shot will be somewhere outside of the black. Usually low, left.

If the Bullseye shooter performs these fundamentals for each and every shot, it will be a good scoring shot. This can also be applied to any shooting discipline not just Bullseye. Hope this helps other shooters.
