## PRESIDENT'S THOUGHTS

We hope that all of you had a fun and safe 4th of July. We were blessed with great weather during the month, which worked out well for the events that took place. We appreciate your patience over the weekend of July 21st as the UML State Championship closed the ranges. It's wonderful to see our club's amenities being utilized so much. Everything from the lake to the trails to the ranges have seen increased participation. The weekend of the 9th the bass were really biting for me. Please remember Lake Vitek is catch and release only. No outboard engines are allowed if you use watercraft to fish. All boaters are required to follow the Michigan Boating Laws and Regulations.

During the month of August, we have two events scheduled that will limit access to the club. Hunter Safety is scheduled for August 5th. All the ranges except for trap and skeet will be closed from 8:00 a.m. - 6:00 p.m. The R100 is scheduled August 11th-13th. All the ranges, trails, and Lake Vitek will be closed from 8:00 a.m. - 6:00 p.m. We still need volunteers for both events. Please contact Kelsey Hanson (989) 780-1216 for Hunter Safety and Mark Fanning (989) 992-7268 for the R100. On August 20th we have two events scheduled the IAA 3D Archery and 100 Bird Shoot. See the flyers in the newsletter for additional information. Our weekly events are in full swing and turnout has been great. If you are considering participating in any of the events, come out and enjoy the fun while we have nice weather.

Have you been out on the trails lately? If not, you will find they are improved. On July 29th, a group of volunteers placed new mulch and trimmed down the overgrowth along areas of trails needing some TLC. Join me in thanking them for their time and labor. If you are interested in volunteering for projects like this, contact me (989) 721-0664.

Don't forget to get our Thursday, September 21st membership meeting on your calendar. Bay County Historian Sam Fitzpatrick is presenting on Bay City Hell's Half Mile.

If you have a story, article, or photos you would like to share with the club via the newsletter please contact me (989) 721-0664.

Come out and Enjoy Our Little Piece of Up North

### Bullseye--Precision Pistol Fundamentals by Brian Miller

1. Stance—The stance is primarily perpendicular to the target while making it comfortable. Rotate your stance so your red dot or iron sights are centered in the Bull.
2. Grip—The grip must be firm like a firm handshake but not to the point of causing tremors.
3. Sight Picture—This must be consistent each and every time whether it's a center of bull alignment or a 6 O'clock hold.
4. Trigger Pull—must be an uninterrupted pulling of the trigger until the pistol fires *while not moving the sight picture*. Generally, if you take the shot when it looks right the shot will be somewhere outside of the black. Usually low, left.

If the Bullseye shooter performs these fundamentals for each and every shot, it will be a good scoring shot. This can also be applied to any shooting discipline not just Bullseye. Hope this helps other shooters.

## TRAP & SKEET REPORT by Mike Meyer

Wow !! Talk about tough competition ! Our high school trap teams ran into it at the U.S.A. High School Clay Target League National Tournament. Out of 220 teams from throughout the nation, only the top 80 qualifiers were allowed to shoot in the team finals. The Valley Lutheran team, consisting of Ben Tomandl, Collin Engelhardt, Rylee Ross, Matt Iliff and Zach Lamont, qualified in 39th, with a 472 out of 500 to advance to the team finals. Valley shot a 470 in the team finals for 40th place in the nation. Unfortunately, Nouvel-Freeland, was not able to qualify as a team.

In the individual qualifier, 21- 100 straights were shot by the competition. Only those shooters who achieved a score in the High 90's were able to advance. This included Ben Tomandl and Collin Engelhardt from Valley Lutheran, and Thomas Witten, Ryan McDonald and Ryan Quackenbush from Nouvel-Freeland.

The final scores of our five individual qualifiers were:

Ben Tomandl	-	98	79th in the nation
Thomas Witten	-	98	86th " " "
Ryan McDonald	-	97	109th " " "
Ryan Quackenbush	-	97	119th " " "
Collin Engelhardt	-	96	144th " " "

Can you imagine, just missing 2 targets out of 100 puts you in 79th or 86th place?

All of our high school shooters shot well and we're immensely proud of all of them. If you see any of them, congratulate them.

## THE COWBOY'S CORNER by Barb Bell

Well, pardos, it's been quite a summer so far. Hot days, rainy days, and in-between days. They just keep speeding by so quickly. We sure hope you're taking the time to have some fun!

Talk about things going fast, our cowboys have been shooting really well and fast this season at our practices and match shoots. We've had good attendance at our past three shoots. In June, Black River Bill was in charge of the shoot and had 16 shooters. Part of our gang, Todd All In, Celebrity James, Katie Callahan and Bad River Marty attended the Indiana State Shoot that weekend, and came back with awards. A big yee haw for Todd All In for earning bragging rights for his first place!

At our July 8th match, we got rained on most of the morning yet out of our 26 shooters, 16 shot the match clean! Three Gun Cole took First Place, Lead Foot Luke, Second, Bad River Marty was Third, Riverview Rattler, Fourth Place and Shiloh Red, Fifth Place. The Wild Bunch shot their mini match later in the day. Winners in Traditional were Ethan Callahan, First Place and Flatwater Johnny, Second Place. In the Modern Category, Truckee took first and Old Dude took Second Place.

Our next match is set for Saturday, August 26th. Then, over Labor Day weekend, our gang will be shooting the Michigan State Shoot (Wolverine Rangers Range War) over at Port Huron. This year is the 25th. Anniversary of this event and should be challenging and fun.

Later, Sept. 30-Oct. 1st., Saginaw Field & Stream will be hosting the 2nd Annual Wild Bunch State Shoot and will be a 2 day event. It is truly a great event to watch the speed and action of 1911's, lever action rifles and '97 shotguns. Move over, Wild West...the Wild Bunch is comin' round the bend!!

We hope you can stop in sometime and say howdy and maybe try your hand at some cowboy action shooting. Until next time, remember to live life....give it your best shot.

Happy Trails from Katie Callahan
