PRESIDENT'S THOUGHTS

If you did not attend September's membership meeting, you missed out on a very good meal and presentation. Where else can you get a great meal and entertainment for only \$10? Sam Fitzpatrick's presentation of Bay City Hell's Half Mile was excellent. There were numerous back stories of well-known people during that era. I personally enjoyed the story about Paul Bunyan. I found it interesting that there are more myths than truth to the stories / songs we've heard. Paul was a hard-working logger but he was also a heavy drinker in his leisure time. While the stories about his logging abilities ring true, he was not the jolly individual he's made out to be. Many feared crossing paths with him while they were out in town.

Sight in Days is scheduled for November 4th - 12th between the hours of 8:00 a.m. and 4:00 p.m. This event is open to the public. The cost is \$5.00 per firearm for both members and non-members. If you do not wish to participate in the club's fundraiser plan accordingly as both the 50 and 100-yard ranges will be closed to open shooting during the aforementioned days / times. For more information see the flyer within the newsletter.

2024 membership renewals start Sunday, October 1st. You should receive your renewal packets during the first week of October. Please review your documents closely to make any necessary updates to your application. You are required to return the completed application, test, and payment by December 31, 2023. If the renewal requirements are not satisfied by December 31, 2023, you will be required to attend a new member orientation in 2024 and pay the \$35 initiation fee. Should you wish to complete your test during one of the upcoming new member orientations you are welcome to join us on any of the third Tuesdays of the month—October 16, November 21, or December 19 at 7:00 p.m. If you don't receive your packet in the mail or if you have questions, please contact us as soon as possible so that we can avoid any issues. You can also complete your renewal in-person at the clubhouse during our business hours, Tuesday 5pm to 8 pm and Saturday 8am to 12pm. Renewals can also be completed via snail mail or in the mailbox at the clubhouse side door. To avoid having to attend the membership orientation class and paying the initiation fee please get your 2024 membership renewal done early.

The R100 was very successful this year. The club netted approximately \$9,000.00. I would like to take a moment to thank the volunteers that made it possible. Thank you, Mark Fanning, for overseeing the event. Mark and 5 others worked their butt off to make this event happen. The 2024 R100 is tentatively scheduled for the weekend of July 26th - 28th. I said tentatively scheduled because we need someone to volunteer to run the event. As it stands now, we don't have a chair nor the volunteers to do it next year. If someone does not step up to the plate, we will lose this wonderful 3D archery event and the funds. The individual overseeing the event should be an experienced 3D archer. Archery experience is helpful for volunteers but not a requirement. Please contact me if you would like more information about volunteering / chairing the event. Thanks in advance for your time and consideration.

Come out and Enjoy Our Little Piece of Up North

DYI Bore Sighting a Rifle

Pre setup your rifle prior to heading out to the range to zero your rifle by bore sighting your rifle with your scope. There are a couple of methods. The new modern method is using a laser and then there is the long-standing low-cost effective looking through the barrel method.

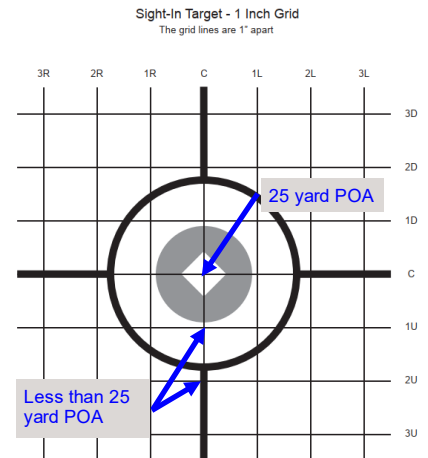

Modern laser method:

1. Verify your rifle is unloaded and there is no ammo within your work around.
2. Place your rifle into a support system that prevents the rifle from moving while adjusting the turrets.
3. Place a target out at 25 yards "tip" a reflective target is best for daylight hours to see the laser dot.
4. Insert laser device pre-manufactures instructions, turn on the laser and adjust the rifle's position until laser dot is on target.
5. Without touching the rifle look through the scope and adjust the elevation and windage turrets until crosshairs are lined up on the laser dot.

Looking through the barrel method:

1. Verify your rifle is unloaded and there is no ammo within your work around.
2. Remove bolt or bolt carrier from the rifle.
3. Place your rifle into a support system that prevents the rifle from moving while adjusting the turrets.
4. Place a target out at 25 yards. "tip" solid color paper or cardboard with a bright mid-size dot.
5. Looking through the barrel, adjust the rifle until you see the bright dot centered in the barrel.
6. Without touching the rifle look through the scope and adjust the elevation and windage turrets until crosshairs are lined up on the bright dot sticker.

Note if you do not have 25 yards at home set the target out as far as possible and adjust the crosshair about one to two inches low of center this will ensure the bullet impact will be low at that distance but closer to center at a 25 yard target as the bullet is still rising.

TRAP & SKEET REPORT by Steven Witten

The trap and skeet fields and the club have been busy. It's exciting to see all the activity. In addition to the regulars and the school teams (about 30 shooters for the short Fall season), we've seen several members and guests either shooting clays for the first time or dusting off their trusty shotguns getting ready for the Fall hunting seasons. Everyone is welcome on Tuesdays, Thursdays and Saturdays on the skeet fields and Tuesdays and Saturdays on the trap fields. If you are a reloader, we have recently gotten shipments of primers, powders and shot. So, stop in, shoot a few rounds and stock up on supplies.

For the students who participate on one of the two high-school clay target teams who shoot at the club, one of the major obstacles is costs. The club has been very generous to our teams in partly offsetting clay target costs through donations and various fund raisers organized by Tony Nothelfer, such as the 100-Bird Shoot and the 3-Gun Raffle (tickets are still available). At September's Board meeting, Mike and Betsy Meyer announced the establishment of the "Mike and Betsy Meyer Youth Fund" through the Saginaw Community Foundation. While not limited to exclusively supporting Saginaw Field and Stream's youth, Mike and Betsy have made the club's youth shooting activities the fund's highest priority. While initial funding comes from Mike and Betsy, this enables donors to help support our youth shooting activities through tax-deductible donations under the umbrella of the Saginaw Community Foundation's 501(c)(3) status. We're excited to see a forward-looking approach to ensuring our youth have financial support to help defray some of their costs for many years to come. If you have questions about this or want more information, please feel free to speak directly with Mike or Betsy.

We hope to see you on the trap and skeet fields soon!

THE COWBOY'S CORNER by Barb Bell

Fall has finally made her grand appearance and for many, we're just loving it. The leaves adorned in their lusty colors, slowly drifting down and crunching beneath your feet and pumpkins perched on porches with crooked smiles and their odd-shaped eyes winking back at us. Who can resist those tantalizing tastes of cinnamon donuts and hot apple cider or fall camping and road trips and well, my list goes on and on. There is just so much to love this time of year.

But I best get my article back on track and report on another love...cowboy action shooting. The summer literally shot by so quickly this year. Our August 26 match had 26 shooters with 9 shooting it clean. Our top five pards were Doc Noper, Ethan Callahan, Celebrity James, Avalanche Andy, and Hey Sugar. The Mini Wild Bunch match winners were: Traditional – Ethan Callahan and Flat Water Johnny. Modern winners were Truckee and Old Dude. Congrats to all.

Our August shoot was made special as we dedicated it to the late Secondhand Jack (Jack Bench). Jack put a lot of effort in helping to improve and grow the Saginaw Cowboy Action Program and for many years, in late August, he and his wife, Laport Lil (Mary Ann) would help haul our targets and props to Port Huron for the Michigan State Range War. From building stages and props to using his John Deere on our bigger projects, Jack was always there to help us and was an anchor in getting the job done. I'm sure you know someone like Jack and we hope you let them know just how much they are appreciated.

It seemed like we had barely finished the August shoot and were off to Port Huron for the 25th. Anniversary of the Wolverine Rangers Range War, Michigan's state shoot. Our Posse 5 was composed of all our Saginaw gang, with a few pards from across the state. And, in our humble, but definitely correct opinion, Posse 5 was, as our Todd-All-In proclaimed..."We were fabulous!!" Every one of us came home with an award, or two or three. It just speaks of how much dedication to practicing each Wednesday night helped to achieve our victories.

In mid-September, Ethan Callahan shot the Minnesota Mid-West Regional, winning first place in Classic Cowboy. He also shot the Wild Bunch Match, shooting Traditional (one-handed), taking first in this class. He took home some speed side-match awards, also. Good shooting, Ethan.

Saginaw will again be hosting the annual Wild Bunch State Championship here at Field and Stream on Saturday, September 30 and October 1st. Shooting will begin at 10 a.m. on Saturday and 10 a.m. Sunday. There will be 5 fast and exciting stages each day, along with some speed side-matches on Saturday after the main 5 stages are finished. Spectators are free to watch this fun and challenging event; eye and ear protection is required.

Later in October, Ethan and his dad, Bad River Marty, along with Riverview Rattler, will be heading to Oklahoma's Land Run National Championship. We wish each a clean, fast and winning shoot! And we all are looking forward to our Cowboy Halloween Shoot on Saturday, October 28th. If you're in the area and want to watch cowboys turn into some strange and hilarious creatures, we start shooting around 10 a.m. Free to watch. Just make sure you have your eye and ear protection....and maybe some garlic to ward off the bad guys. Boooooooo!!!

Happy Trails from Katie Callahan

2023 Hunter Sight In Days

1296 N Gleaner Road, Saginaw Michigan, 48609 - (989) 642-8312

Dates: November 4th to November 12th

Time: 8AM to 4PM

Cost: \$5.00 Per Firearm

Our Hunter Sight In Days is a two week event, open to the public. Hunters may sight in rifles / hunting handguns while our volunteers help spot your shots, adjust your sights or scope and maintain safe conditions at and behind the firing line. You may sight in more than one firearm, and you are allowed to shoot enough to safely get zeroed in.

****Please note that we have no method for credit card use on our range facilities. Cash only please.****

Distance options in yards: 25, 50, 100

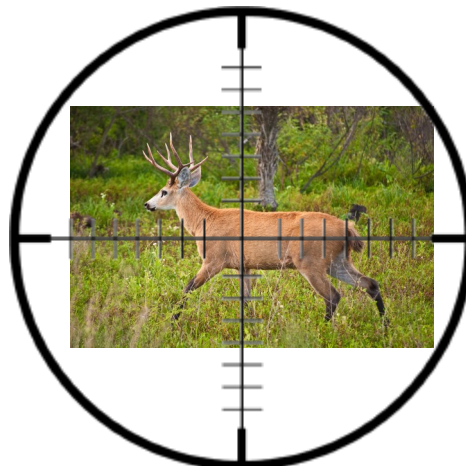

Please sign in at the 50/100 yard ranges prior to going to a bench and setting up. Shooting will stop at 4:00 PM. Please get there as early as you can before the last couple of days before the opening of deer season, as there can be quite a crowd. Saginaw Field and Stream Club will provide bench rests, corn bags, targets and a volunteer to help you spot your shots on the targets.

"Sight In Days" is an important part of Saginaw Field and Stream Club annual fundraising. Everyone out there helping is a volunteer please be courteous and patient. If you're a member, and don't want to pay the \$5.00 sight in fee during the event hours, then sight-in prior to the event or after 4 pm on the event days.
