PRESIDENT'S THOUGHTS

My Fellow Members,

Allow me to introduce myself. My name is Anthony Nothelfer. I have been a member of Saginaw Field and Stream since 2014 and a board member since 2015. I am married to my beautiful wife, Leanne, whom is an Associate member. It's ok because she is very supportive of my life here. My family has resided in the Hemlock area for several generations. I spent a lot of my childhood in the UP and now reside in the Laporte area. While growing up, I was involved in 4H, boy scouts and hunting. In my years of service on the board, I have been a part of fundraising efforts by creating the three-gun raffle and the 100-bird shoot. I am a co-match director for the united multi-gun league (UML) and am a certified safety officer of the IDPA. Amongst other duties, I am a club house building and rental manager. In addition, I am passionate about our 2nd amendment. But enough about me.

I would first like to thank Patrick Craig for his years of service as President which allowed me as former Vice President to learn from him and president's past.

My main goal is to promote our mission statement. Our mission is to promote conservation and sportsmanship among sports persons and the general public through example of instruction; conserve and responsibly harvest our wildlife and natural resources; guard our land and waters against pollution and invasive species; cooperate with federal, state and local authorities and the propagation and conservation of fish and game; promote safe participation in shooting sports. I believe that our largest investment should be in the youth and education of all new shooters and conservationists.

It is already the third month of the year and nice weather is knocking on our door. The range at times may be a little snowy but you can still get out and enjoy some range therapy; especially with the new steel installed.

This year's banquet is only a few days away and if you haven't bought a ticket yet, I'm sorry, you're out of luck. If you do have a ticket, it's going to be the best one yet and I'll see you there.

Until then, see you on the range.

TRAP & SKEET REPORT by Mike Meyer

Saginaw Field & Stream now has an insurmountable lead in the Winter Traveling Trap League. We lead both the Shiawassee and Frankenmuth teams by over 100 birds with one shoot to go and that's at our own field. The only possible downside is that the shoot is the morning after our Field and Stream All-Sports Banquet at Horizons.

Registration is underway for the USA High School Clay Target League. The spring league has always been the premiere season with the highest participation. This spring we expect to see that trend continue and we're anticipating 40 trap shooters and 7 skeet shooters. While the season officially starts the last week of March, don't be surprised to see an increased number of young shooters on the ranges getting in some preseason practice. Both the Valley Lutheran and Nouvel Catholic/Freeland teams have a history of producing successful teams and individual shooters – we expect that tradition to continue this season.

Speaking of successful shooters, congratulations are due Charlie Roggenbeck for shooting his first ever 25 straight on the skeet field. There were no other straights this past month.

Skeet and Trap open year round.

Tuesdays: Skeet 2-4 PM / Trap 3-8 PM

Thursdays: May thru Oct: Skeet 2-4 PM

Saturdays: Skeet & Trap 8:30 AM - 12:30 PM

Cost:

\$6 - per round \$4 - youth per round

\$50 - 10 round punch card

THE COWBOY'S CORNER by Barb Bell

March's Line-Up

It's March, and as the old weather proverb goes... "If March comes in like a lion, it will go out like a lamb." Not being a betting person regarding the weather, I'll just wait and watch and see what happens.

Putting weather aside, March is a busy month. I'll be moving my clocks ahead on Sunday, March 10th. St. Patrick's Day is on Sunday, the 17th and that means parades, green beer, Irish stew, shamrocks and wearing of the green for many. And always, the possibility of seeing a leprechaun or two, depending on the quantity of green beer consumed.

Spring's official arrival this year is Tuesday, the 19th, followed by the Christian observance of Good Friday on the 29th and Easter Sunday, the 31st, celebrating the resurrection of Jesus' death on the cross.

I discovered other observances that I want to share. March 1st is National Pig Day AND it's also National Peanut Butter Lover's Day. My only comment is "oink, oink". There are also some great days like Pound Cake Day, Cheese Doodle Day, Cereal Day, Flapjack Day, Corn Dog Day, Sloppy Joe Day, Spinach Day, Ravioli Day, Black Forest Cake Day....and the much-needed Napping Day, all found in the month of March. If there was a Diet Day in there, I didn't see it... probably on purpose.

With all the special days in March, the month will pass by quickly. The cowboys are counting the days to April 17th when our first Wednesday night practice begins. We hope you will be able to drop in and say "Howdy" and maybe give it a try.

Have a good month, be blessed, and until next time....remember to live life. Give it your best shot.

Happy Trails from Katie Callahan

ARCHERY REPORT by Mike Schoch

I would like to thank everyone that has replied to the email I sent out. I can see that there are people that want to help, and I think that is terrific. I was sad to hear Carter Maher has shoulder issues, hopefully he will be back shooting soon. This past month we have had members competing in state, regional, and national shooting events. A big shout out to Gary Jacques and Mike Schoch for competing in a Michigan Archers Association shoot, and at the NFAA Indoor Sectionals. Also, a big shout out to James Corriveau for Completing at the Hoyt / Easton Pro/Am 3D event in Foley, Al. If there is anyone that I have missed, please let know because I think it is great that Saginaw Field and Stream Club members are participating at higher levels of archery competitions, and they should be recognized.

This past month Saginaw Valley results

Feb 2nd & 4th – Mike Schoch 2nd

Feb 24th & 25th – Taylor Schanz 1st, Mike Schoch 1st, and Gary Jacques 2nd
