President's Commentary

I am certainly glad to see this week end. I had three friends leave the range, two of them club members. Ron Smith was a 45-year life member who joined the club in 1982 and Brian Miller, former board member, joined the club in 2006, the third was a man I worked with for 30 plus years, he flew west. My condolences to the families and "we will see you guys again on that range in the sky".

The good news, no fresh range damage. Tomorrow is the first day of summer. Can't believe the year is half over already. I just got the news from the DNR, no elk and bear tag's for me this year. Oh well, try again next year.

I don't know what the general feeling is across the club about the new deer regulations. I have not heard much feedback. I only require one deer for the year, takes me that long to eat one. If I want to go sit in the blind and just watch, that's good also. One thing that I do not agree with is the lifting of the straight walled cartridge requirement for zone 3. We will see how long it takes for someone to shoot up an occupied dwelling because of too much gun. I hope nobody gets hurt. Our governor sure has that NRC fouled up with her political appointments. Political correctness, another name for just plain stupid. The thing that really amazes me is they don't care what the results of their actions are.

Last month I reported on HB 5801 & 5802, these are the bills allowing the commercial taking of game fish. They are moving through the system as we speak. No definitive action yet. Standby on this one!

Summer is well under way, to quote my friend Bob Garner "whatever you do. Get out and enjoy this great old State of Michigan"

I hope to see you out there!

Thomas L. Heritier, President

Not a whole lot going on in Archery at this time. The really big thing is the R100. After running this event for the past couple of years, I can tell you it takes volunteers to make it work. So, I ask anyone that can help please contact Clark Richardson at 989-418-9218. I know he will not turn down the help and he would be grateful.

Trap & Skeet Report by Mike Meyer

As I write this, our high school trap and skeet shooters are in Mason MI, participating in the USA Clays State Tournament. Hopefully they will have a good time and shoot well. You can see the tournament scores at the following website. <https://mi.usaclaytarget.com/trap-shooting-tournament-leaderboard>

Other than the High School shooters, we have not had any trap shooting to speak of at the club. Apparently all of our shooters have moved to different clubs. Thankfully, we have a group of dedicated skeet shooters to keep us busy. The following shooters shot straights from May 26-June 20:

The Cowboy's Corner...

Our long awaited "Saginaw Showdown" 2026 Michigan Wild Bunch State Championship is now in the record books...and in the memories of the shooters who gave it their best shot. They came from our Michigan clubs, and from clubs as far as Ohio and Indiana. Watching them handle their 1911's, lever action rifles, and Model 12 shotguns was so much fun.

Saturday found them shooting 5, of the 10 stage event, on a few of the upper bays. Weather was quite warm but they had enough energy to shoot side matches and a fun team even, also. By Sunday, the weather decided to turn on them and it rained early in the morning. They grouped together in the pistol building and waited for the rain to let up, which it did, and they completed the last 5 stages on the cowboy range in some nice, dry weather.

A spaghetti dinner was served, followed by a great raffle and awards program. Our photographer, Paparazzi Pahl, was busy taking photos of each winner. This year's awards were statues of "Pike", a character from the "Wild Bunch" movie. This year's State Wild Bunch Overall Champions were Diabla, ladies' division, and Ethan Callahan, men's. Each received a beautiful, engraved buckle, awarded from SASS. Congrats to both shooters!

Here is a list of our local shooters. As a bystander watching these shooters over the weekend, they are all great representatives of this exciting, challenging and fun sport. Hat's off to each!

Diabla – Ladies Modern 1st, Side match ladies pistol, shotgun, rifle; and Michigan Overall Women's State Champion

Ethan Callahan – Traditional 1st; Side match men's Pistol, Derringer; and Michigan Overall Men's State Champion.

Flatwater Johnny – 1st Classic Traditional

Black River Bill – 2nd. Senior Classic Modern

Riverview Rattler, 2nd. Elder Statesman Modern; Side match men's rifle

Avalanche Andy, 1st. Senior Modern, Side match Team

J.T. Wallace, 6th. Modern

Old Dude, Elder Statesman Classic Modern

We'll also be having our two-day regular cowboy action shooting event on July 11-12th. Each shoot day is scored separately and this year we'll be honoring America, her 250 years. To find us on Facebook... <https://www.facebook.com/Saginawcowboyshooting> Lots of videos of the Wild Bunch...a fun watch!

Until next time, forget the weather forecast and remember to live life give it your best shot!!

Happy Trails from Katie Callahan

OFFICIAL NOTICE

Attention Volunteers

In an attempt to entice more volunteers to help organize work events, we will be trying something new this year. Running from February 1, 2026-February 18, 2027, we will be tracking volunteer hours. For every 2 hours worked, volunteers will receive 1 entry into a drawing. Volunteering is the only way to be entered into the drawing. This is open to all club members. There is no cap on number of entries. At the February 2027 business meeting, we will draw three names for the following prizes: first \$500, second \$300, third \$200. The event organizer will be responsible for recording names and hours worked. All club events are eligible for this drawing. Examples: club dinners, clean up days, youth programs, R100, sight in days, etc. We hope to see more members coming out and being more involved. Please reach out with any questions.
